Kia ora Parents.

I would like to share with you four 'projects' that are on my radar at the moment:

Project One: On Monday night Hillview hosted a conflict and resolution session with Presbyterian Pastor Hamish Galloway. It was an extremely informative and interactive presentation that was 'down to earth.' The practical tips were incredibly helpful and provided everyone with wise principles when engaging in conflict. An interesting thought presented to the participants was that conflict wasn't necessarily bad. How we handle conflict depends on whether an outcome is negative or positive. Other ideas shared were the importance of ending up with win/win solutions and choosing your battles carefully before engaging with your spouse or child. We had about 25 people attend. There is a vision to see these seminars increase over time and become a blessing not just to our school families but the wider community.

Project Two: Our gymnasium team met once again and it was very useful throwing around ideas on how we could maximise the designs that were before us. There was a great sense of enthusiasm and passion amongst us all as we move closer towards the confirmation of the official design. The proprietors are extremely keen to see this project through to completion. We hope to have a celebration service for the entire parent community when our fundraising programme officially finishes at the end of term 3.

Project Three: The inaugural Y7-10 Christian Schools leadership conference will commence in just over two weeks and final preparations are coming together nicely. We have a top quality bunch of keynote and workshop speakers who will be delivering powerful messages which include how to develop the leadership skills and qualities of a courageous leader. We have almost 220 pupils registered and they originate from over 10 Christian schools within the South Island. Hillview pupils formally applied for a place within the conference and wrote answers to several key questions about leadership. I thought it would be worthwhile sharing with you some of the answers related to the question: What are the characteristics of a good leader?

Answer: A good leader is.....

- someone who wants the best for others and who will lead by example
- someone who will stand up for what they believe in
- someone who loves God and leads by His wisdom
- someone who makes the right decisions
- someone who wants to get the best out of people
- someone who is a great listener
- someone who not only manages others but influences/inspires others
- someone who can be trusted
- someone who does not stress out or throw a tantrum
- someone who never gives up on anyone or anything
- someone who has a servant heart
- someone who is confident and communicates well
- someone who has a happy attitude and enjoys encouraging others
- someone who is courageous, reliable, and humble

- someone who understands that it is a privilege to lead - not a right
- someone who takes ultimate responsibility for their behaviour, decisions, and actions
- someone who has patience, in every situation, and steps out of their shoes and sees how everyone else is viewing the situation
- someone who appeals to the people and shows passion for the cause

I was very impressed with the vast array of quality answers and if these are anything to go by, we can have great confidence in our future leaders.

Project Four: There are just over four weeks left (including two weeks of the holidays) before we have the pleasure of presenting our Year 7-10 school production called OZ – an adaptation of The Wizard of Oz. The pupils have been working extremely hard on their acting, singing, and dancing. Our amazing stage props are currently being built and the painting has begun. Lights, sound, and marketing have all been organised and seats are filling up quickly. I am thrilled that we belong to a school that provides a wide range of opportunities to develop the gifts and talents of our students. Many pupils may not succeed in the classroom but performing on a stage can be a completely different matter. The pupils' confidence and communication skills grow and develop. They have a greater understanding of effective teamwork and the disciplines involved in putting together a production. It will be an event you won't want to miss and I would encourage the entire community to attend a performance in term 3 week 1.

Many Blessings

Steve Frost

production. Kapa Haka will still be running over this period.

- 2.2 Text Alert – Emergency Procedure** – Did you receive our text alerts last week during the snow? If not you are not subscribed! Text 'Hillview' to 570. You will receive an immediate reply thanking you for joining.
- 2.3 Absences/Lates** – Please call and leave a message before 8.45am with any absences. Please push 2 for the absentee line after the welcome message. We are no longer using the text service for absentees. This was being trialled and it has been decided to cease using it.
- 2.4 COURAGE Y7-10 Leadership Conference** – If your child has been selected to attend this on 28 and 29 June please ensure you pay the \$30 charge (heavily subsidised) by 20 June at the school office. This charge includes morning/afternoon tea, lunches and dinner on Thursday evening. Failure to do so may result in your child not being able to attend the conference.
- 2.5 Uganda Orphans Mufti Day June 27** – Wednesday in the last week of term is a mufti day to raise money for Raising Up Hope, a faith based organisation dedicated to helping disadvantaged children in Uganda, especially street children and those orphaned by AIDS. The school was visited by an ex-Hillview student while he was on a short term mission trip to Uganda and he would love us to help support their school with a mufti-day. Their mission is to help orphaned, abandoned, homeless, and vulnerable children by providing for shelter, clothing, medical, educational, spiritual, and other needs.
- 2.6 Permission** – We are about to go live with our new school website and are wanting to include our production of Sound of Music under our Hillview TV tab. If we do not hear from you by then we will assume we have your permission. Thank you, Steve Frost.
- 2.7 Scooter security on Senior Campus** – Scooters are expensive to buy but easy to steal. A bike lock can be used to secure most models. While the school is vigilant to keep strangers out of school grounds during school hours we cannot guarantee the security of unsecured scooters or bikes from opportunist thieves.
